Spirit of the Game – A How to Guide

Some players say that it is easy to play with Spirit – all you have to do is follow the rules. But SOTG (Spirit Of The Game) is way more than this, and is quite difficult to do all the time. Here is a list of 5 steps needed to fully play with Spirit. Each step is challenging, but Step 4 is by far the hardest.

Step 1. I will try not to break the rules

- I will try not to drag my pivot foot when I pivot (travel)
- I will try not to cross the goal line before the pull (offside)
- I will try not to cause significant impact when going for the disc (foul)
- I will try not to count faster than 1 second intervals (fast count)

Step 1 is absolutely necessary before you can go to Step 2.

Step 2. I will not allow myself to get away with breaking the rules

- If I realize that I've dragged my foot to pivot around a marker, I will not throw since I would have gained an advantage. Instead I will pivot back to my original position and ensure that both the marker and myself are in legal positions before continuing the play
- If I cross the goal line before the pull, I will take a few slow steps before going into a sprint to nullify the advantage I might have gotten
- If I foul someone, I will call the foul on myself
- If I start the count too fast, I will stop counting for a few seconds to nullify the advantage

Step 3. I will encourage my teammates to follow steps 1 & 2. I will tell them when I think they are not.

- A teammate always travels when they throw a hammer. Tell them, and follow through by helping them practice throwing legally
- My teammates often cross the line before the pull is released. Ask them to "hold the line" when your team is pulling
- Your teammate fouls an opponent hard and decides to contest. Talk to this teammate; say something like: "Wow, that was a hard hit, maybe you shouldn't contest"
- Call fast count if your teammate is counting to quickly. It might surprise your opponents, but they will probably appreciate it

Step 4. I will believe that ALL players (myself, my teammates, and my opponents) are doing their best to follow steps 1, 2, and 3

- I never travel, but the person marking me indicates that I traveled on my pivot. I get the disc back and make smaller pivots to avoid whatever it was that my opponent saw. After the game, I ask him or her to show me what it was that I was doing that they believe constitutes a travel.
- My opponents occasionally get 10 or 15 yards across the line before they pull. I kindly ask their captain to check this and to mention it to his/her teammates. He/she does and their team is much better about offsides for the rest of the game.
- The person marking me slaps my arm every time I pivot. I ask him to be more careful and/or I call a foul. We both try to be more careful – he doesn't mark so close, and I don't reach out so far on my throws

Step 5. I will accept that different perspectives will see different outcomes

Step 5 doesn't work unless you believe Step 4. Even when you believe step 4 there will still be disagreements. Line calls are a perfect example of differing opinions on the field. A player catches a disc close the side line – in or out? Sometimes these calls can be very close. Even with linesmen and professional referees (e.g. pro football), line calls are sometimes unclear.

- I catch a disc on the sideline and I'm 100% sure I was in, my opponent with equal perspective is 100% sure I was out. Since I accept Step 4, I *have* to believe that the opponent really saw that I was out – he saw something different than I did. Since I *know* I was in and he *knows* I was out (and neither of us is breaking the rules) it must be too close to call. The Rules of Ultimate include a solution for this situation: disc back to the thrower – Play On!!!

John C Harris

"Spirit of the Game" – Always play with Spirit!

As you are the responsible representative of your team, please remind your players that we need their help to keep our fields clean.

Please clean up any garbage around the fields after each of your games and remember that whatever came to the field with you, leaves with you. VC Ultimate has also provided big blue recycling bags so that you can take home products which can be recycled and place them in your blue bins.

We also encourage you to implement the CARBON FLIP into your games, as a way to promote carpooling and reduce fuel omissions. Use the Carbon Flip Scoresheet in your permit book to keep track of your Carbon Flip scores, and submit the final results to TUC at the end of the summer season!

Thanks for your help in keeping Ultimate a clean and green game. Encourage your team members and fellow players to BE ULTIMATE!

We are privileged to play Ultimate in Toronto and we reciprocate this honour through stewardship in the community. We welcome all residents and visitors to be a part of our success.

The Carbon Flip – Background

In an effort to 'BE ULTIMATE!' and show stewardship towards our community and environment, TUC introduces the 'Carbon Flip' program. This program was introduced to TUC by our friends from the Peterborough Ultimate League (PUL) who successfully implemented the Carbon Flip (CF) into their summer leagues in 2008. The program is an easy to learn and easy to administer practice that appropriately reflects the Spirit of Ultimate and the progressive green thinking that benefits us all.

The Carbon Flip Rule (optional)

When the captains meet prior to their game they can choose whether to do the traditional disc flip or do the carbon flip. Both captains have to agree on the CF, although if one captain asks to do so and the other captain is undecided, Spirit of the Game dictates that the other captain should agree to do so. The team with the fewest motorized vehicles at the field at game time wins the CF and gains the traditional advantages associated with winning the flip. If the number of motor vehicles is equal, each team counts half a CF point in the standings and the captains revert to the traditional flip method.

The Carbon Flip is OPTIONAL. That said, we strongly encourage teams to try it and implement as much as possible. Whether you win or lose the flip will not determine victory (yes we know wind is a factor, but players win games, not the wind). So why not try it? Why not BE ULTIMATE?

Keep It Simple

Simplicity is the key to the CF's success. Captains survey their team and do a straight car count, which yields a quick and reliable result. Cars arriving later do not figure into the count, and types of motorized vehicles or distances travelled do not factor into the equation.

Award Points

The CF winner for each game is awarded 1 point. Captains submit their CF results, on the attached form, to the TUC at the end of the season (by Sept 11). TUC will review all submissions and the weeknight teams with the highest CF rating at the end of the season are appropriately rewarded. In 2009, teams will receive prizes from Steam Whistle brewery, VC Ultimate, and Scallywags!

Final Considerations

Should cars with kids inside or players driving opposing players only count for half a car? That's up to you to decide. The principle of the idea is clear and, if it engages debate, then you are making players think about their actions. Just remember that the act shouldn't impact the integrity of the game. So practice it, play it, and pass it on.... BE ULTIMATE!

A big thanks to our sponsors:

Fields Considerations for 2009

The Toronto Ultimate Club prides itself on being a community-minded Club that respects its fields and the communities surrounding them. **The permits that we have can be taken away!** Residents in the areas of the fields do complain if things happen that they don't like, and the city listens to them. TUC has been previously banned from certain sites because of such complaints, but also reinstated or given priority status on certain fields because of good behaviour. Let's all do our best to continue the TUC reputation of good stewardship and respect towards our city fields – it goes a long way!

When checking your game location, please be sure to review the parking details and any specific instructions that apply to the field. Please adhere to these parking and specific instructions as much as possible! As well the following field considerations apply:

- **Cricket Fields (Sunnybrook/Fergy Brown/etc)** – Please do not sit, stand, or place any items on the bowling pitches in the middle of the cricket fields! Cricket players are very particular to this and out of respect for them, as well as our standing with the City on these fields, PLEASE STAY OFF OF THE BOWLING PITCH SURFACES on these fields.

- **Sunnybrook Hockey Fields** – our League field setup on the hockey fields at Sunnybrook this year will be the same as last 2 years – games in the Field Hockey space are setup in a WEST-EAST direction. TUC games will be played on the western half of the entire field hockey space, with 3 games taking place each night – the north field is Hockey #1, middle field is Hockey #2, south field is Hockey #3. Please be sure to check our map on the Field List and setup fields accordingly. We are sharing with other permit groups so please be mindful of their space.

- **Premium Turf Fields (ie. BMO, Varsity, Downsview, Birchmount)** – No food items or sugared beverages are permitted. It is imperative that no litter is left behind and that you are **off the field by your scheduled time**. No pets or bicycles permitted inside the venues. Please be kind to the staff

- **Unpermitted Fields:** On an unpermitted field, all levels of respect apply ten-fold. If you are poaching a field complaints about us using them could get us a REALLY bad reputation with the permitting groups. If you are on an unpermitted field, show up early to stake out your claim. If someone does show up with a permit, don't fight it. Apologize and give them their field. Then either find another space to play on or reschedule the game for another date.

Remember to....	Please Don't...
BRING COPY OF PERMITS TO YOUR GAMES WITH YOU	pee in the bushes, against the sides of houses, in the end zone, etc
check the Field List on the TUC web site for driving & transit directions	block driveways with your parked car
follow the TUC Foul Weather Policy	try to access school buildings for any reason (washroom, injury)
View the web page banner after 3:30pm on poor weather days	drink alcoholic beverages on site – go to the bar after your game!
contact your opposing team captain asap if your team cannot field a roster by the scheduled start time	yell at people if they walk in the middle of your field during a game. Be polite and respectful.
notify your Convenor immediately if a game is postponed or rescheduled (as agreed upon by both captains). Report defaults.	play games that are cancelled by the TUC GM or Summer League Convenors
report your game score and Spirit score on Leaguerunner as soon as possible after the game. Nominate all-stars from the opposing team and try the Carbon Flip program and scoring for your games!	leave your teammates stranded in your absence. Assign a co-captain to administer your duties when you are away!

Team Conduct

Any team involved in an incident which results in the loss of a field permit will be suspended from the Club (league) without refund and considered for expulsion. Any team/player behavior that jeopardizes a TUC permit will result in team sanctions, including suspension and/or expulsion. Such incidents will most likely involve complaints by the public in regards to improperly parked cars, littering, excessive noise, drinking alcohol, loose dogs, rudeness, and urinating in public.

Teams which play on an unauthorized field will be suspended for one game on the first offence and expelled from the league on the second offence. Regardless of whether or not TUC has obtained a field permit, you are playing on an unauthorized field if:

- the ground is so soft/soggy that playing will ruin the field; or
- the league convenor has officially cancelled the game in accordance with the rain policy; or
- the property owner has prohibited TUC from using the field or green space.

TUC Discipline Policy

In order to deal fairly and transparently with incidents of poor spirit, overly aggressive play and other problems, this discipline policy has been developed for TUC league teams and players. The overriding objectives are to maintain a fun & safe atmosphere at all games and to maintain good relationships with our field providers and the public. Participation in a TUC league or tournament signifies acceptance of this policy. This policy complements the “Code of Conduct” and applies whenever you are representing TUC, which means the whole time you are at the playing field -- before, during & after your game.

There are several guiding principles. First, when discipline is warranted, the actions undertaken must be objective, noticeable & timely. This means that incidents will be investigated & resolved before the next league game and if sanctions are applied, they will be published to everyone concerned. Second, teams are collectively responsible for the actions of their members and, if warranted, sanctions will generally be applied to the whole team. This means that each team captain should choose his/her teammates with care and ensure that all are aware of the “Code of Conduct”. Repeat offenders will be dealt with more harshly than first time offenders given their full awareness and understanding of the implications. Third, very serious incidents, as specified below, will result in immediate expulsion.

Captain's Responsibilities

1. Team captains must:
 - bring the captain's handbook to each league game
 - know the rules of Ultimate and bring the rulebook to each game
 - understand the TUC policies outlined here and ensure that their teammates are aware of them
 - meet with the opposing captain before each game to clarify rules (captain's clause) and other issues which may become problems
 - take action immediately to defuse the situation upon becoming aware that tensions are rising
 - in their absence, appoint a Co-Captain to administer the above responsibilities
2. It is the responsibility of team captains to report incidents of poor spirit and dangerous play to their league convenor (tournament director) as soon as possible using the on-line “Incident Report” (in-person). Unreported problems will not be investigated or resolved.

Poor Spirit & Dangerous Play

3. Offensive and/or unsportsmanlike conduct, (e.g. taunting, name calling, swearing, issuing threats) will not be tolerated. Overly aggressive and/or rough play (e.g. intimidation, charging into stationary players, repeated fouls) will not be tolerated either. If reports of such behaviour are received and found to be valid, the following steps will be taken:
 - First report - player and/or team receives a formal written (or email) warning
 - Second report - player and team receive a second warning and the game in which the incident occurred is forfeited
 - Third report – player and/or team is suspended from TUC league(s) and event(s), per the discretion of the General Manager. Player and/or team can also be expelled from TUC by a special meeting of the general membership, as called by the Board of Directors. The names of players and teams expelled will be listed on the TUC website.

The Toronto Ultimate Club reserves the right to suspend or expel a player or team from the Club (league) without prior warning and without a refund.

4. Anyone who throws a punch or is involved in a fight, whether as instigator or retaliator, will be suspended from the Club (league) immediately without refund and considered for expulsion. Additional sanctions may be applied to the instigator's team.
5. Dangerous Play may also include the playing of a game with an exposed and bleeding wound. Failure to leave the field and properly bandage the wound before returning is considered dangerous play. Furthermore continued play after a serious injury (i.e. large cuts, shortness of breath, heavy blow to the head) with the expressed concern of teammates and opponents, is also considered dangerous play.

Public Conduct

6. Any team involved in an incident, which results in the loss of a field permit, will be suspended from the Club (league) without refund and considered for expulsion. Such incidents will most likely involve complaints by the public in regards to improperly parked cars, excessive noise, drinking alcohol, loose dogs, rudeness, and urinating in public.
7. The consumption of alcohol and recreational drugs is NOT allowed at the fields, whether before, during or after a game. Any team involved in such an incident will be suspended from the Club (league). Repeated incidences will be considered for expulsion.
8. Be considerate of the playing field. For your team's safety, pick up all trash before the game, especially shredded cans, broken bottles & sticks. Before leaving, make sure that both teams have cleaned up their sidelines and "stooped & scooped" (if appropriate).
9. Teams, which play on an unauthorized field, will be suspended for one game on the first offence and expelled from the league on the second offence. Regardless of whether or not TUC has obtained a field permit, you are playing on an unauthorized field if:
 - the ground is so soft/soggy that playing will ruin the field; or
 - the league convenor has officially cancelled the game in accordance with the rain policy; or
 - the property owner has prohibited TUC from using the field or green space.

League Issues

10. Default: Teams that default twice in a season without reasonable notice will be suspended from the league without refund. To avoid a default, it is merely necessary to notify the opposing captain in advance that you cannot field a full team for the game and ask to reschedule it at a later time.

Definition of Terms

11. Suspension: a player or team that is suspended will not be eligible to participate in any TUC leagues, events, or programs for a period of time as defined by the General Manager and/or Board of Directors. Should the time period extend to the end of the membership year the suspended player or team must seek Club approval to renew their membership.
12. Expulsion: a player or team that is expelled is no longer eligible to participate in any TUC leagues, events, or programs.

League and Playoff Participation Policy

With respect to league participation and membership, our policy is as follows:

- A team may play a regular season game with at most three (3) non-member players, with the full disclosure to the opposing captain and acceptance by that captain. In this way we can allow for newly recruited players, out-of-town visitors, or occasional pick-up players.
- Any non-member player may play a maximum of two (2) games in outdoor leagues. After that point, (s)he must register as a TUC member in order to continue playing, and where applicable (s)he must contact TUC and register for that league as well.

To be eligible for league playoff participation, a player must:

- be a registered TUC member
- be added to the team roster no later than the league roster deadline (consult specific league page for date). In the absence of a defined roster deadline (ie. indoor leagues) the player must be added no later than the 2nd-last game BEFORE playoffs begin.
- play a league minimum amount of games:

Summer:	Outdoor leagues 5 games
Fall:	Outdoor and indoor leagues 3 games
Winter:	Indoor Leagues 3 games

In order to enforce these terms & conditions, we rely heavily on the honour system and on our team captains. Please abide by the Spirit of the Game when dealing with this (and any other game) issue. Remember, free-riding on the backs of registered TUC members is unfair and thus contravenes the Spirit of the Game.

Team Discipline: if a team is found to be using an illegal player, the results of all games played with that player are disqualified. Individuals/teams committing repeat offences or blatant violations are subject to additional sanctions at the discretion of the TUC GM.

TDSB Facility Services Department hereby grants Toronto Ultimate Club (hereinafter called the "Licensee") represented by Jason Robinson, permission to use the Facilities as outlined, subject to the Terms and Conditions of this Agreement contained herein and attached hereto all of which form part of this Agreement. Access to the permitted spaces is granted from the start time to the end time noted on the Permit. It is understood that if for any reason this accommodation is not required on the dates requested, written notice must be received by the Facility Services Permit Unit seven business days prior to the requested date or full charges may be applied. Note: All permit users must provide their own consumable items such as basketballs, volleyballs and nets otherwise equipment surcharges will apply.

i) Purpose of Use 2009 - Ultimate Frisbee Games (Tue)

ii) Conditions of Use TDSB sports/playing fields and facilities will be maintained to existing TDSB standards, subject to weather conditions and other unforeseen circumstances. A higher level of service is available at extra cost to the permit holder. Due to contractual, safety and liability considerations maintenance of TDSB fields and facilities by permit holders is strictly prohibited. Violation of this requirement may result in cancellation of permit privileges. Please contact the Permits Unit if you require additional information (416-395-7666).

The TDSB is committed to providing safe playing surfaces for use by the school and the community. In the interests of participant safety and protection of the playing field resource, all permit holders are requested to observe the following requirements. Failure to do so may result in cancellation of permit privileges and/or restitution for the cost of repairing damaged playing surfaces.

- No Alcoholic Beverages, Barbeques or Concerts/Music Festivals/Loud Music allowed on site.
- Chemicals are not to be used on school sports fields for line marking
- Sports equipment such as portable goal nets are not to be left on school property
- Play is not permitted under the following weather and/or surface conditions:
 - Standing water on the playing field
 - When walking on turf causes water to surface
 - When walking on turf on heels causes indentations
 - 2.5 cm (one inch) or more of rain 48 hours prior to scheduled game or practice accompanied by steady rain on scheduled game or practice day
 - Steady downpour of rain on scheduled game or practice day which could cause damage to turf or injury to participants
 - Audible thunder or visible lightning
 - Sale of food/merchandise is prohibited unless approved and noted on the Permit
 - Short turf cleats made of plastic only may be worn. Shoes with metal cleats are prohibited.
 - School sites must be respected and litter deposited in the containers provided (repeated instances of excessive littering may result in additional caretaking charges and/or cancellation of permit privileges)

Please review the attached rules and regulations governing the permitted use of school spaces and ensure that they are followed.

Please visit the TDSB Public Website (www.tdsb.on.ca/permits) for Fire Safety Plan and other emergency information.

TDSB Facility Services Department hereby grants Toronto Ultimate Club (hereinafter called the "Licensee") represented by Jason Robinson, permission to use the Facilities as outlined, subject to the Terms and Conditions of this Agreement contained herein and attached hereto all of which form part of this Agreement. Access to the permitted spaces is granted from the start time to the end time noted on the Permit. It is understood that if for any reason this accommodation is not required on the dates requested, written notice must be received by the Facility Services Permit Unit seven business days prior to the requested date or full charges may be applied. Note: All permit users must provide their own consumable items such as basketballs, volleyballs and nets otherwise equipment surcharges will apply.

i) Purpose of Use
ii) Conditions of Use

2009 - Ultimate Frisbee Games (Tue)
 TDSB sports/playing fields and facilities will be maintained to existing TDSB standards, subject to weather conditions and other unforeseen circumstances. A higher level of service is available at extra cost to the permit holder. Due to contractual, safety and liability considerations maintenance of TDSB fields and facilities by permit holders is strictly prohibited. Violation of this requirement may result in cancellation of permit privileges. Please contact the Permits Unit if you require additional information (416-395-7666).

The TDSB is committed to providing safe playing surfaces for use by the school and the community. In the interests of participant safety and protection of the playing field resource, all permit holders are requested to observe the following requirements. Failure to do so may result in cancellation of permit privileges and/or restitution for the cost of repairing damaged playing surfaces.

- No Alcoholic Beverages, Barbeques or Concerts/Music Festivals/Loud Music allowed on site.
- Chemicals are not to be used on school sports fields for line marking
- Sports equipment such as portable goal nets are not to be left on school property
- Play is not permitted under the following weather and/or surface conditions:
- Standing water on the playing field
- When walking on turf causes water to surface
- When walking on turf on heels causes indentations
- 2.5 cm (one inch) or more of rain 48 hours prior to scheduled game or practice accompanied by steady rain on scheduled game or practice day
- Steady downpour of rain on scheduled game or practice day which could cause damage to turf or injury to participants
- Audible thunder or visible lightning
- Sale of food/merchandise is prohibited unless approved and noted on the Permit
- Short turf cleats made of plastic only may be worn. Shoes with metal cleats are prohibited.
- School sites must be respected and litter deposited in the containers provided (repeated instances of excessive littering may result in additional caretaking charges and/or cancellation of permit privileges)

Please review the attached rules and regulations governing the permitted use of school spaces and ensure that they are followed.
 Please visit the TDSB Public Website (www.tdsb.on.ca/permits) for Fire Safety Plan and other emergency information.

 TDSB sports/playing fields and facilities will be maintained to existing TDSB standards, subject to weather conditions and other unforeseen circumstances. A higher level of service is available at extra cost to the permit holder. Due to contractual, safety and liability considerations maintenance of TDSB fields and facilities by permit holders is strictly prohibited. Violation of this requirement may result in cancellation of permit privileges. Please contact the Permits Unit if you require additional information (416-395-7666).

The TDSB is committed to providing safe playing surfaces for use by the school and the community. In the interests of participant safety and protection of the playing field resource, all permit holders are requested to observe the following requirements. Failure to do so may result in cancellation of permit privileges and/or restitution for the cost of repairing damaged playing surfaces.

- No Alcoholic Beverages, Barbeques or Concerts/Music Festivals/Loud Music allowed on site.
- Chemicals are not to be used on school sports fields for line marking
- Sports equipment such as portable goal nets are not to be left on school property
- Play is not permitted under the following weather and/or surface conditions:
 - Standing water on the playing field
 - When walking on turf causes water to surface
 - When walking on turf on heels causes indentations
 - 2.5 cm (one inch) or more of rain 48 hours prior to scheduled game or practice accompanied by steady rain on scheduled game or practice day
 - Steady downpour of rain on scheduled game or practice day which could cause damage to turf or injury to participants
 - Audible thunder or visible lightning
 - Sale of food/merchandise is prohibited unless approved and noted on the Permit
 - Short turf cleats made of plastic only may be worn. Shoes with metal cleats are prohibited.
 - School sites must be respected and litter deposited in the containers provided (repeated instances of excessive littering may result in additional caretaking charges and/or cancellation of permit privileges)

Please review the attached rules and regulations governing the permitted use of school spaces and ensure that they are followed.
