

On June 18th, 2011 Ultimate players from coast-to-coast will compete in the what will hopefully be the largest ultimate game ever held in Canada: the Art Hawkins Great Canadian Ultimate Game.

The Great Canadian Ultimate Game is an opportunity for ultimate players to share the spirit of Ultimate and highlight the accessibility and inclusive nature of the sport with members of the public and two great charities. Player competing in the Great Canadian Ultimate Game will be working to raise funds for these charities, with players on the red team representing Ultimate Peace, while players on the white team representing the Boys & Girls Club of Canada.

### So how does the game work?

The game will start in Yellowknife then head out to the West Coast of Canada. Every hour it will move to a new community, where the score will be carried forward and the game will continue. From the west coast of Canada it will travel to Newfoundland and then make its way west.
