[Call for Nominations: Directors for Toronto Ultimate Club 2021/2022](#)

With the TUC Annual General Meeting around the corner, the current Board of Directors invites interested parties to put their names forward as candidates.

Typically, a handful of new people join our Board to serve as the stewards of our organization. If you are interested in learning about what a TUC Board Member does, please read the information below.

New members of the Board are elected at our AGM by the membership, and once elected, their responsibilities include:

- Active participation in monthly meetings
- Serve on significant planning and standing committees

- Champion the growth of our sport and club
- Represent the voices of all TUC members

Note that a member cannot become a Board Director without a majority vote of the members present at the AGM. If there are more nominees than positions, the lowest number of votes will not make it onto the Board.

Meetings

Our monthly meetings allow our Board to refine club policies, assess the club's current state (financially and strategically), and plan for the upcoming year and or season. The Board is given details of the day-to-day operations by the staff, standing committee reports, if any. When scheduling meetings, consideration is given to minimize conflicts with league games. That said, directors are encouraged to attend meetings regularly and be prepared (read reports, documents that are supplied ahead of our meetings) to have a collaborative discussion. These meetings are formal events where Robert's Rule of Order is followed.

Standing Committees

Board of Directors are encouraged to participate in at least one of the following Standing Board of Directors are encouraged to participate in at least one of the following Standing Committees:

- Executive,
- Finance,
- Human Resources, and
- Operations.

These committees are responsible for reviewing significant changes to our organization and providing well-researched responses to the challenges and opportunities our club faces.

Typically, these committees will discuss through email, collaborative e-platforms, or informal meetings to ensure policy documents and new initiatives are well constructed for discussion at our Board meetings.

Champions of Ultimate

Our Board members serve as Ambassadors of the Toronto Ultimate Club, both for our members and the Ultimate community-at-large. We serve as a sounding board and promoter of our club's growth and development specifically to our members, locally within Toronto, and more broadly within Ontario and Canada.

A Voice to All of TUC

Lastly, TUC's Board of Directors is our club's ear for the membership. We are the ones you, the membership, can provide feedback and voice concerns to, ensuring the continued and long-term growth of the club and the sport. We may not instantly have the answers and solutions you are looking for, but we certainly utilize your concerns and feedback to establish a vision that meets the membership's needs. As a new board member, you will need to be open and willing to work collaboratively to move the club forward.

Still Interested?

TUC's foundation is based on the strength of its volunteer base. We value our volunteers who commit countless hours to ensure our club serves our membership and continues to grow.

For those who wish to get involved, to help plan events and coordinate leagues, we welcome your help and willingness to give back to the sport. That said, being on the Board requires a different skill-set and level of commitment. If you enjoy looking at the bigger picture of if you wish to provide TUC with your expertise from other boards or organizations, we are looking for individuals who have experience in finance, accounting, human resources and or legal/governance background, preferably with not-for-profits, and we encourage you to step forward.

If you are interested in joining the TUC Board of Directors, please submit nominations and resumes to Jo Malisani at ed@tuc.org.

If you plan on running for election to the TUC Board of Directors, you need to attend the AGM and be prepared to give a brief one to two-minute bio of yourself and why you would like to join the Board of Directors.

Kind Regards,

Jo Malisani
Executive Director
Toronto Ultimate Club

- a. Thank you to all the staff who made the AGM possible.
- b. Thank you members for attended this AGM when there are limited opportunities to play
- c. How COVID changed our plan:
 - i. Previous discussions were based on growth, the implementation of the 5 year plan. We have pivoted. Thanks to the staff we were able to provide limited playing opportunities; providing Gov't updates almost as fast as they came out.
 - ii. The board has worked hard to keep TUC, our vision, and mission alive through the pandemic. It was challenged by ever changing information.
 - i. We were helped by the staff tremendously.
 - iii. Layoffs - We unfortunately are seeing two staff persons leave the organization.

- i. Matt - Thanks for being the go-to guy. Members really appreciate your work ethic and have expressed their gratitude to the Board
- ii. Jamie - Thank you for building our junior and adult pipelines in the what they are today.
- iii. Jo - The BOD expresses its constant thanks and TUC was well run due to the staff and the ED over the last year.
- iv. The BOD looks to keep the membership engaged to move back into a playing component in the 2020/2021 year. COVID will remain a serious challenge to all sports organizations
- v. Surveys which went out to the membership indicated a higher proportion of players willing to play through COVID but did not materialize when play was permitted to resume.

6. Presentation Approval of Audited Financial

a. Yuri - Presenting Audited Report

- i. Year end is March 31
- ii. Qualified Opinion for Not-For-Profit.
 - i. Everything looks fine 'BUT'
 - ii. For a non-profit, it is often difficult to verify the revenue which is why a qualified opinion is accepted as an audit report.
 - iii. Going 'Concern' - Means 'Business'; can we continue the business until the Next year end (march 31 2021)?
 - iv. Cash Position: The position in March 31 2020 TUC had a strong cash position. This report reflects the position of the Club at March 31 2020; Just before COVID.
 - v. TUC loaned Razor (RMI) funds to build a new venue.
 - vi. Deferred revenue decreased as no person would pay for a tournament that was not going to happen (COVID).
 - vii. Income Statement: League fees were consistent with the prior year. Interest went up due to loan to Razor.
 - viii. Decreases in tournament fees - TUC would have paid for fields into April/Spring 2020 which were subsequently cancelled due to COVID. The refunds would be applied in the next fiscal year (if applicable).
 - ix. Revenue is in excess of expenditures.
 - x. Wage Subsidy shows as 'Cost Reduction' as opposed to a separate line item.
 - xi. Loan Receivable Note - Post year end the agreement was amended with RMI due to COVID considerations. The principal payments were delayed to November 2020; not a real impact to TUC b/c we have a strong cash position. Interest Income would increase. i. No flags raised to auditor by RMI's repayments as they have paid all interest payments to date, on time.
 - xii. Field Commitments: TUC has committed to certain amount of field rentals. Worst case scenario (COVID, No tournaments, no revenue, no refunds); TUC owes 152k in 2021 but can weather this payment if required. This is the worst case scenario.
 - xiii. Credit Risk on loan receivable - TUC has reduced risk by amending the terms of the RMI loan.

b. Question:

- i. Why is 2022 field commitment 2x that of 2021 & 2023?

A: 2022 is double because the license expires in October 2023. We have reduced fees associated with fields currently with RMI. We also have a large portion of the field funds paid by the gov't

c. Motion to Approve Audited Financial Statements:

i. Motion: [Juliet] Second: [Andrew Hunter] Vote Result: [Passes]

7. Executive Director Report:

a. KPIs for the Year:

i. Member retention; 3% growth; develop and improve Social Media; Increase development for coaches and players; Create partnerships that add value to the organization and membership

b. 2019-2020 - Expected a 70k loss; actual -76k

i. TUC looked at various ways to decrease this loss. The loan to RMI's interest was to offset the -76k from the previous year; TUC increased fees to lower the break-ever point

c. Current year: We are down 84% in terms of membership. We did not expect this large a drop due to the surveys put out by TUC. We expected ~ 50% of the membership to return to play in the summer.

d. BOD streamlined the membership Start/End dates to one single time.

e. Looking ahead to 2021 - We are advised to anticipate similar capacity rates to current 2020 COVID

f. Summer 2020 - TUC was not able to create any summer leagues; TUC pivoted to 'Pick-up' bubbles.

i. TUC was not charged for fields we were unable to use.

g. Fall indoor - Expanded the Tuesday indoor league; League numbers dropped due to folding of MLS Monday night.

h. Winter 2020 - Tuesday remains a popular night but decrease overall numbers. Beach Blast was a smaller tournament due to venue location.

i. Junior Programming - Summer 2019 program did not run at a loss. Increased membership and introduced jerseys. Our programs were revenue neutral until we were forced to shut down.

i. 2021 - We will continue to offer juniors. They want to play. Most sports orgs are thriving with their youth programming.

j. TUC focused on strengthening relationships with Ultimate Canada, Ontario Ultimate and others.

k. Strategic Plan - This was turned on its head due to COVID.

i. TUC Successfully increased Social Engagement & a membership feedback mailbox.

ii. We worked to implement a Long-term Athlete Development model.

iii. We began to put an RFX to redo our website however that was tabled due to COVID.

iv. We now report, track concussions with a safe return to play model as required by law.

l. Athlete Development

i. Ran 15th version of a popular high school tournament

ii. The tournament was run on the last day of in-person school in March 2020.

iii. COVID- Off Field Outreach

i. We started various engagement, TUC Trivia, streaming, however over time the participation numbers dropped off.

iv. July 2020 - We had 13 distance events. Low intensity / Medium Intensity tune-ups with modified scrimmage.

i. These programs were without defense.

8. Questions/Statement from the Floor:

- a. Outlying regions Vaughan, Richmond Hill now have their own clubs which are cheaper than TUC.
 - i. A lot of people who played in various leagues outside TUC also continued to play inside TUC. Board has investigated why people move and the various models offered by other clubs. We looked at opportunities to make TUC more valuable (Clinics, Scrim 101). Toronto fields will continue to be more expensive. This issue is on the radar.
 - ii. Andrew Hunter: We are struggling to attract new members. Part of this problem to a new captain is the cost of entry. We need to focus on what TUC offers and focus on what keep bringing people back.
- b. Mississauga Ultimate has no paid staff
 - a. Where in the west end did RMI build the new venue?
 - i. Near the High Park Area is where they would like to build. This project will be delayed.

RATIFICATION OF BUSINESS CONDUCTED BY TUC

NOTICE OF MOTION FOR THE ANNUAL GENERAL MEETING

AMENDMENTS TO THE AGM AGENDA - NOTICE TO CHANGE NAME OF THE FIELDS FUND TO DEVELOPMENT FUND

Date: 5 August 2021

Submitted by: Andrew Hunter

Motion #: 1

Moved by: Andrew Hunter

Seconded by: Patrick Russell

REFERENCE: (Section, article, number, page, etc.)

Notice to add to the AGM Agenda for membership to vote on/ratify, changing the name and purpose of TUC's Field Fund.

WHEREAS (Article as currently written.)

Beginning in 2003, it was determined that a member contribution would be allocated to a capital fund called "The Fields Fund." The purpose of the Fund is to accumulate capital for future use to acquire, develop, maintain, improve, and otherwise support the Club's ability to obtain playing fields. A precedent exists for large Ultimate organizations to build their own fields - Ottawa Carleton Ultimate Association successfully built its own Ultimate field complex. The TUC Fields Fund is steadily growing and the Club is actively looking for suitable public or private field development opportunities. <https://www.tuc.org/club/fields-fund>

BE IT RESOLVED THAT (Motion. State whether revision, addition, deletion)

Rename "The Fields Fund" to "Development Fund".

The funds would go towards developing our club in a meaningful way. The goal is to rebuild the club, attract more members from all skill levels, and grow the juniors program. We have received many requests to redevelop the TUC website, and making these funds available for development projects could help us see requests like this through.

RATIONALE

TUC introduced the field fund in 2003. The original goal was to acquire and develop land into a field that would be dedicated to the sport of ultimate.

Over the past two decades, land prices in Toronto have grown much faster than our fund. In addition, owning such an expensive asset would present a lot of additional challenges to the club in the areas of taxes, maintenance, administration and ensuring that it be available for all teams across the city.

The club has also struggled for the past few years with declining membership, and this was magnified by the restrictions placed to control the spread of COVID-19. This has led to us having more fields than we could use in some cases.

The TUC Board of Directors would like to rename the Field Fund to the Development Fund so that we can put these funds toward developing our club in a meaningful way. The goal is to rebuild the club, attract more members from all skill levels, and grow the juniors program. We have received many requests to redevelop the TUC website, and making these funds available for development projects could help us see requests like this through.
