## Tournament Rules

**Game Timing** - Whistle/horn will be used to keep time throughout the day. One blast will denote the official start of the game slot. Two blasts will signal the end of the time slot which is a hard cap! At hard cap - finish the point. IF the game is tied, play a universe point.

**Game Length** - All games will be 60 minutes in length! Score cap at 13. Halftime at 7 points or 30 minutes. The halftime time-cap occurs once 30 minutes of play has elapsed. At the halftime cap, play continues until the current scoring attempt is completed. If, after the current scoring attempt is completed, the halftime target has not yet been reached by one time, one is added to the higher score and the resulting number is the new halftime target.

**Ties** - If the game is tied when the whistle/horn blows, finish the point. If the game is tied and a point is not currently being played when the whistle/horn blows, play a universe point!

**Timeouts** - There will be two 60 second timeouts per team per game. No timeouts allowed in the last 5 minutes of the game.

**Gender Ratio** - Based on registrations, we will be using Modified Rule A with World Games Pulling (alternating between 4O:2F/ 3O:3F). At the start of the game, after the first disc flip, an additional disc flip happens with the winner selecting the gender ration for the first point (in our case, it will be either 4 Open: 2 Female Identifying or 3 Open: 3 Female Identifying). For the second and third points the ratio must be the reverse of the first point. For the fourth and fifth points the ratio must be the same as the first point. This pattern of alternating the ratio every two points repeats until the end of the game (halftime has no impact on the pattern). When there are 3 Female Identifying athletes on the field, a Female Identifying athlete must pull.

**Foot blocks** - Foot blocks are not allowed except with the explicit prior agreement of both team captains. Any foot block attempted or successful should be treated as a foul.

**Rules** – Other than the rules listed above, all games will follow [TUC's outdoor rules](#) and the [USAU 2022-2023 edition rules](#).

## Seeding and Tiebreaker

When determining seeding of the teams will be selected on the following criteria:

- Win-loss record. If still tied, then,
- Head-to-head record. If still tied, then,
- Goal differential (i.e., plus-minus). Please note the maximum plus-minus for any game will be +7/-7.

## Scorekeeping and Score Reporting

TUC will provide score board at each field.

All teams are asked to nominate a score keeper to keep track of the score throughout the game.

Both teams after the game should/need to report the score to Tournament Control.

## First Aid/Physio

Physio will not be available on-site during this tournament. TUC staff will have a First Aid Kit available for minor injuries.

## Toilets and Changing Rooms
